A Quality Aggregate Producer

Rawson Materials, a quality aggregate producer, has proudly been operating for over 75 years with an exceptional reputation in the industry. Offering a variety of products including sand and stone used in the concrete, block, and asphalt industries as well

as for resale – we are ready to help your business or project thrive. Our plants are strategically located throughout CT, MA, and RI, with 11 total locations—9 of which offer public pick-up—serving customers across each state and extending into New York. Our founding principle continues to be the cornerstone of our growth: produce quality materials at competitive prices while maintaining the very highest level of customer satisfaction.

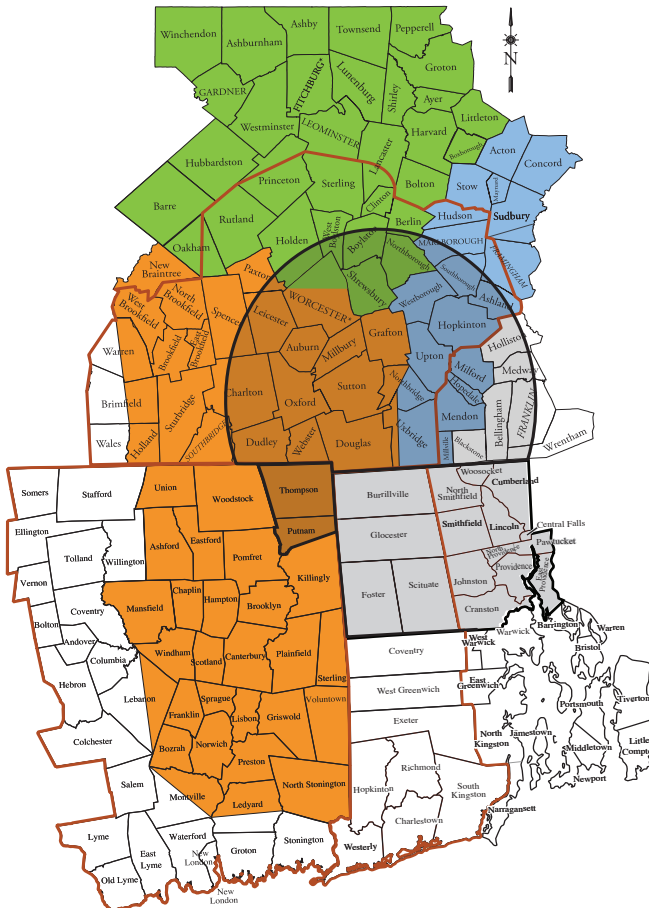

# BEVILACQUA ASPHALT

Bevilacqua Asphalt strives to be the greatest ally to the paving contractor by offering the best quality Hot Mix Asphalt and materials possible. Located in Uxbridge, MA, we have a state-of-the-art 400 ton per hour Hot Mix Asphalt plant which boasts three 150 ton silos to house the Hot Mix. Customers are welcome to pick-up material at our location.

# STERLING CONCRETE

Sterling Concrete is a ready-mixed concrete supplier with three plants - one located in North Oxford, MA, another in Sterling, MA, and our newest plant in Danielson, CT. We serve Central Massachusetts and Eastern Connecticut for all of your commercial and residential concrete needs and can assure you of the highest quality service because of our dedicated employees and state-of-the-art concrete trucks and equipment. Our management staff has over 100 years of combined experience in the ready-mixed concrete industry.
